

AIR PAVILION

- 1 **CLOUD RINGS**
Get the whole family involved and watch the rings float up into the air
- 2 **WIND TUNNEL**
Sit right in front of the big funnel to feel gale force winds
- 3 **AIR CANNON**
Give it a bit of welly and see what happens
- 4 **HYDROGEN ROCKET**
Have you got enough power to split the water?
- 5 **AIRWAVES ORGAN**
Show off your musical skills
- 6 **TORNADO**
Do you have the breath to knock it out of shape?
- 7 **TURBULENT ORB**
Create swirling patterns in the blue orb
